

thanks

For caring for Haitian families

Dear friends!!
Thank you for continuing to support our work in Haiti! We believe that lives are being changed for the better and so many can see the light of God's word through our actions and our programs!

Thanks to your generous donation, the United States Foundation for the Children of Haiti (USFCH) has provided help to thousands of children and families in Haiti. This card is just a small symbol of our gratitude. Thank you for helping USFCH be the hands and feet of Jesus to Haitian's in need.

You are appreciated.

Blessings!
